06 Astro-Numerology — Your Numbers and Their Planets

NEW IN THIS REPORT

Numerology and astrology share the Navagraha, so your numbers can be read *inside your own birth chart* rather than on their own. Each core number is ruled by a planet; that planet **sits** in one house of your chart and **rules** others, and during its **Mahadasha and Antardasha** it switches all of them on — the houses it rules are what comes up, the house it sits in is how it reaches you.

Moolank 3 — Jupiter

Ingenious and Talented

Jupiter signifies: Higher education, Father, Elders, Turmeric, Kesar, Yellow chandan, Temples, Elephants, Sweets, Gold

Compass zone of this number: **North-East**

Bhagyank 5 — Mercury

Panchi / The Communicator

Mercury signifies: Trees, Birds, Enuches, Communication, Stationary Items, Education, Technical Intelligence, Flowers, Kids/Small girls, Flowerless plants(ex:Tulsi)

Compass zone of this number: **North**

Colours to wear day to day

Every number carries its planet's colour, and your core numbers 3, 5 already grade the others as lucky or hostile. These are the two tables joined — nothing here is chosen by taste.

WEAR DAILY — lucky to both your core numbers

- **Orange** · 1 Sun
- **Rust** · 1 Sun
- **White** · 2 Moon
- **Yellow** · 3 Jupiter
- **Cream** · 3 Jupiter
- **Beige** · 3 Jupiter
- **Green** · 5 Mercury

YOUR OWN NUMBER'S COLOUR — worn to strengthen the number, which is not the same as lucky

- **Yellow** · 3 Jupiter
- **Cream** · 3 Jupiter
- **Beige** · 3 Jupiter
- **Green** · 5 Mercury

KEEP AWAY FROM — colours of the numbers that oppose yours

- **Off White** · 6 Venus

Your Moolank (**3**) and Bhagyank (**5**) stand as **Lucky** to one another.

What a birth chart would add. With your birth **time** and **place**, these planets can be located in your chart — the house each occupies, **the houses each one rules**, its six-fold strength, and the exact dates its Mahadasha and Antardasha last ran and next fall due. That is what turns "this number is ruled by Saturn" into "career and fortune open up for you between these two dates, through these channels".
